

STUDENT MINISTRIES

As I'm writing this, we are making final arrangements for the 2011 Staying True Girl's Conference. This being our Third Year, we are praying for a strong turn out. We have been very Blessed by community and church help. .

This month we will be taking student and adult leaders to Planet Wisdom. This is a great opportunity for some intensive growth and training. If you are interested in helping to sponsor a student or an adult leader, please let me know. We try to offer a leader retreat once a semester for leaders to be encouraged, challenged and to reconnect both with God as well as each other.

This month we will also be taking a group to serve on our Sacramento' Mission's Trip. If you are interested in participating please see me or sign up at the Church office. We will also be hosting a lunch to go fundraiser to help pay for the trip. We will be selling sandwiches , cheesecakes and pies to help raise money for this trip.

College - Young Adult Group

Last Month we began our series on Doubt and Faith. This is a series based on the book of Habakkuk. We have been looking at some of his struggles and doubts. This month we will finish this series, and also take a brief break for Easter Break.

Next Month we will begin a new series, but we will also be making some new changes as well. If you are interested in helping out with this ministry, please let me know

Sr Highers

Our Sr Highers enjoyed a great night of a photo Scavenger Hunt all over Susanville. We finished our series on "The Truth About ..." talking about Boundaries and Forgiveness. It was pretty inspiring to have students ask for accountability in their relationships and for several couples to make changes and adjustments for their personal boundaries. It was also neat to see a great number of students who made decisions to ask God for forgiveness, to ask forgiveness from others and those who consciously chose to begin the process of forgiving themselves. We started "Living PC: Personifying Christ", a series on The Last Days of Jesus. We talked about Jesus'

In looking at those topics, we looked at the importance of our service, what communion means to us now, and how we need to respond to betrayal and trials.

This Month Sr High will Hold our annual Clue Night, dealing with the idea of Betrayal and Justice. We will also take time to finish our Series on Jesus' Last Days, "Living PC: Personifying Christ". We will Take a special night to focus on Jesus' Crucifixion and Burial. We will take a Night off for Easter Break. We will then finish the month off looking at Jesus' acceptance of Peter.

Jr Highers

Last Month our Jr Highers enjoyed an amazing Winter Retreat with Youth For Christ, Or Guest Speaker National Evangelist and Trainer with Proclaim Ministries Mr. Brown. (HelloMrBrown.com) We were also greatly blessed to have our worship led by the Enroute Band.

Last Month we also took time to focus on Jesus Stories, we looked at Jesus being a Friend, Forgiver, and Family.

This month we are going to finish the series off looking at Jesus being our Finder. We will take a week to focus on the Time line of Easter and then after taking a week off for Easter, we will close off the Huge Series of The Bible Being Our Book of Hope by looking at Jesus' ascension and Closing Challenge.

This Month we will also start off with our Jr High All Nighter. Parents are welcome to join us to drive and to participate.
