

STUDENT MINISTRIES

Last month our Jr Highers Several of our Jr Highers joined up with churches in Redding Anderson and other locations for our annual Jr High Winter Retreat. With over 100 Jr Highers, the time together was a blessing and challenged our students. Several have made new friendships and we had seven of our students make decisions. In the Middle of March we also held our 2nd annual Staying True Girl's Conference. You should be able to read the specifics about the event on the youth website. Thanks to Ruth Ellis, Tiffany McCabe and Michelle Fong for spearheading that project up for us. If you are interested in being on the planning team for next year, please let me know. During this event, Several guys met together for a time of fellowship. One of our Seniors, Dani Brady held an art show with over 30 Submissions from not only our students, but from many throughout Susanville. As I am writing this we are making final arrangements for our March Jr High Game night as well as our Sr High "Clue" Night. Dinner Mystery Theatre.

This month, the Grivel family will assist in hosting a Sr High All Nighter in celebration of their daughter Chrissy's Birthday. Many of our Sr High Leadership team will be headed down to Sacramento for Teen Mania's *Acquire The Fire*, for a time of refreshment, training and planning. Our Jr Higher's will take a night for Laser Tag and Dinner. Our Sr High Guy's group will also have an "American Pushball" Day. For details on all of those events, please check out this month's Calendar or the Student Ministries website. CEFCYouth.com

This month we will also hold a special discount for this year's SpringFest. For the month of

For additional Details, you can check out all the details at the SpringFest website. LCSpringfest.com

Additional details for both Staying True and SpringFest can be found on Facebook as well.

This last month we hit some rocky moments as we tried new techniques and options. However, as we continue in our "Trust" series with the Jr High and we close out our "Spiritual Habits" series with The Sr Highers, God continues to grow and stretch us. Please continue to pray for our leaders, our students and our direction for the future.

Grateful and Growing,
