

October 8th, 2009

Dear Parents,

Last Month was a blessing, not only to have multiple music groups come to Susanville (You can check out CEFCYouth.com for some of the pictures), but it was also a tremendous blessing to have had the opportunity to partner up with 6 other churches for the See You At The Pole rally. We had over 70 attend. (Again you can see pictures online.) We also had a great attendance for the Jr High Nerf Wars and the Sr High All Nighter. Thanks again to the Brazils, the Kranz, the Grivels, the Hackworths, Seiglers, for all your assistance. Several of our leadership team were also blessed to spend some time at William Jessup University for a Leadership Conference. (You can catch a glimpse of how the group interacted on CEFCYouth.com) In the midst of all of that I squeezed in some time at the Thriving Musicians Conference in Sacramento with several church leaders to better enhance our Student Ministry Worship Teams.

This month, we will be hosting our first annual Father Son Overnighter next weekend. Again, reservations can be made either at the church or online. We will also be hosting a Sr High Nerf War Night Wednesday, October 28th from 6 pm – 9 pm and a Jr High Theme Night Saturday October 24th 6 -9 pm. For additional details on any of these events, please check out the Youth Website.

Next month we will be sending a group of girls to the Revolve Tour in Sacramento, for details on that, you can check out the girl's page on the youth website, or check with Tiffany McCabe for additional specifics. We will be holding our 4th annual Thanksgiving Potluck of Praise service Wednesday, November 18th from 6 pm – 9 pm. You will be able to get additional details on that at the end of October. We will also be holding our 4th annual Flag Football tournament Sunday, November 22nd after the Church Luncheon. More details will be available at the end of October as well.

To better keep costs down, we have another fundraiser option for you. We will be partnering up with Picked 2 Perfection and selling boxes of Grapes, Oranges and Olive Oil. The orders need to be completed, paid for and turned in by 5 pm November, 8th 2009. You can check out the enclosed information for details. You can also help with providing individually wrapped baked food on the 2nd, 3rd and 4th weeks of the month in between services.

Please keep the students in prayer as many have been responding to our current Jr High Series on School and our current Sr High Series on fears. Lots of things are going on. Please take time to talk with your kids about what is happening in their lives.

Hopefully this will give you a pretty good overview about how everything is going as well as the things coming up. Please don't hesitate to check out the information online to address specifics, or you can call the church office or email me. Thanks again for time with your kids and for all that you do!

Praying for you and your kids,

Jackson Fong
CEFC Student Ministries Pastor
